A Registered Dietitian compiled this nutrition information from the following data: Nutrition analysis from Subway® approved food manufacturers, independent laboratories and the USDA Nutrient Database for Standard Reference. The nutrition information listed here is based on standard recipes and product formulations, however slight variations may occur due to season of the year, use of an alternate supplier, region of the country and/or small differences in product assembly.

*Products contain no artificial trans fat (partially-hydrogenated oil). Some products contain naturally occurring trans fat.

**At participating locations. Nutrition information for these items are based on the most common formulas and ingredients.

***Nutrition information for fountain beverages do not include ice and is based on full cup size. Due to large variety of possible fountain beverage offerings nutrition ranges are provided in this brochure. Sodium values represent the amount of sodium from ingredients only and do not include the contribution from the water where beverages are dispensed. Nutrition information for milk in California is different. Check milk container for exact nutrition information.
